Not great, pay with card if you can as when paying cash the waiter doesnt give you your change until you have told him how much tip you are paying, also dont be drawn in by the offer of water with your drinks, 7.60 for a bottle of still water is added to the bill which in my opinion is extortionate, wouldnt visit againFRA Airport Map Topics:Welcome to Frankfurt Airport, one of Europe's busiest and most well-connected airports. Heute werfen wir einen Blick in die Senator Lounge im Z-Bereich des Frankfurter Flughafens, dort werden ein Teil der non Schengen Flge abgefertigt. Die groe Einrichtung ist in zwei Bereiche aufgeteilt, dazu gehrt auch eine Business Lounge. Diese liegt eine Etage ber dem Eingangsbereich. Wir sind im unteren Teil geblieben und haben uns vor dem Abflug nach Dubai hier etwas genauer umgesehen, hier die Review. Die Lounge im Z-Bereich befindet sich unmittelbar nach dem Passieren der Pass- und Sicherheitskontrolle. Diese ist tglich zwischen 5 und 22 Uhr geffnet. Die Zugangskontrolle erfolgt fr beide Lounges an einem Tresen im Eingangsbereich. Fr die Senator Lounge ist neben einer tagesaktuellen Bordkarte auf einem Star Alliance Flug auch der Gold Status der Allianz vorzuweisen. Wer ein First Class Ticket einer Partner Airline in der Hand hlt, darf hier auch rein. Die Details zu den Regeln findet Ihr hier.Lufthansa Senator Lounge Z, Frankfurt (FRA) | EinrichtungDie Senator Lounge befindet sich auf der Ebene des Eingangsbereichs, dort findet man die ersten Sitzmglichkeiten und Schliefcher. In einem Regal befindet sich Zeitschriften, wobei man bei den eJournals auf ein wesentlich breiteres Sortiment zugreifen kann. Die Lounge wurde in dem typischen LH Design ausgestattet, Farben, Dekor und Einrichtung kennt man von den anderen Lounges. Hier findet man ebenfalls die gewohnten Sitzmglichkeiten wie Sessel, Sthle, Barhocker, Sofas und auch Liegen. Einige davon befinden sich an der Fensterfront, es gibt mehrere Pltze mit Vorfeldblick. Wer etwas mehr Ruhe braucht kann sich in den hinteren Bereich niederlassen, je nach Andrang findet man in mehreren Ecken etwas mehr Entspannung. Lufthansa Senator Lounge Z, Frankfurt. Foto: Robert Die meisten Pltze bieten Stromanschluss, ins Internet kommt man ohne Passwort. Es werden keine Ansagen zum Boarding gemacht, dafr kann man die dort vorhandenen Monitore oder die App nutzen. Wer einen Ingeren Transit hat und etwas schlafen mchte, kann in den Ruheraum gehen. Hier sind drei Liegen vorhanden, diese sind zwar nur zum Teil voneinander abgetrennt, man kann aber flach liegen. In vielen hnlichen Lounges fehlt eine solche Mglichkeit komplett. Gegen 11 Uhr wechselte das Sortiment, es wurden u.a. Suppen, Salate und Wraps aufgetischt. Zu bestimmten Zeiten werden Snacks und kleine Gerichte an einer Art Live Cooking Station zubereitet, meistens stehen 2-3 warme Gerichte bzw. Beilagen zur Auswahl.Es fehlte auch nicht an Desserts, heute waren Schokoladenmousse, Panna Cotta und Milchreis im Angebot. Obst & Kuchen ist bei Lufthansa eigentlich immer verfgbar. Das Getrnkesortiment ist ziemlich breit, manchmal gibt es auch Specials. Zum Standard gehren diverse Softdrinks und Heigetrnke. In Sachen Alkoholika ist die Auswahl ebenfalls gro, leider gibt es jedoch keine Bar. Neben je zwei Wei- und Rotweinen stand Sekt und Prosecco bereit, auerdem gab es zahlreiche Spirituosen wie Gin, Wodka, Schnaps und Likr. Lufthansa Senator Lounge Z, Frankfurt (FRA) | FrankfurtflyerKommentarDie Senator Lounge im Z-Bereich des Frankfurter Flughafens ist ziemlich gro und bietet zahlreiche Sitzmglichkeiten sowie ein breites Sortiment an Speisen und Getrnken. Natrlich ist auch hier etwas Luft nach oben, einige Mitbewerber bieten in solchen Einrichtungen auch einen Dining Bereich mit a la Carte Service. In einigen Lounges bietet Lufthansa auch eine Bar mit Service an, hier fehlt diese leider komplett.Dafr findet man einige Annehmlichkeiten, die einen Aufenthalt am Airport ziemlich angenehm machen knnen. Lufthansa hat schon vor einer Weile nderungen beim Lounge-Konzept angekndigt, noch wurden diese nicht umgesetzt. Dabei wre es gerade an den hubs relativ einfach eine bessere Differenzierung zwischen den regulren Business- und den hochwertigeren Senator Lounges zu schaffen.
