Christine's warm welcome and helpful recommendations made our visit memorable. The resort's location is ideal - peaceful, yet close to the main road for easy access to local activities. The turn off from the main road to get there was an adventure, but our AWD SUV had no issues. The food features fresh, local flavors that are a treat. Although the menu is limited due to being a small resort, we always found something great. The pool is smaller, but well-maintained and perfect for cooling off. Our family cabin was the perfect space for our 5-person family. The hammock was also a hit with us. Overall, Gumbo Limbo is a charming retreat with great service and delicious food. Highly recommend!
