60 seconds true ending

The sheets were installed as armor on our post-apocalyptic vehicle. Maybe a better opportunity will come along. If we hope to ever drive away from here, we should scavenge for something to reinforce it. Maybe we could just... Anything we should grab for this little supply run? Use Flashlight:[] Armed with a flashlight, we braved the darkness of an almost-intact basement a few houses down the street. In the end, the suitcase was filled with skulls, bones, stinky rags and empty soup cans. We locked the empty cache with our padlock, so the bastards wouldn't be able to access it anymore. +Drawing of the Ice Cream Truck added Send Nobody:[] It might very well be a trap set up by some bloodthirsty thugs. Unless bowling is somehow included. Then we could really travel in comfort, instead of being seen in this piece of junk. So long, suckers! Whoever finds this shelter can keep it. Unfortunately, the mask's filter was totally used up. It's something of a dying art here in the wasteland. intense. +Everyone gets tired + Someone gets hurt +Adds Cannon to the vehicle Use Padlock:[] We broke our padlock's key while lockpicking a bandit safe nearby. But where were the weapons?! That kind of vehicle needs a weapon! Let's get out there with some equipment and find something fitting. It was missing wheels, but we're certain we could make it functional again with the proper equipment... The vehicle was sprayed, and scribbled on. Start the vehicle:[] It wasn't a hallucination. Even if we fixed up the vehicle, who would drive it, without a license or registration plate? Perhaps someone will fix up the trains. -Map[] The trip was very tiring, and resulted in some injuries. In: Game Mechanics, Events, Ending Sign in to edit 60 Seconds! Reatomized introduces endings with criteria spanning multiple playthroughs. Using the metal plates, we painstakingly unscrewed wheels from various cars all around the neighbourhood and fitted them onto our makeshift vehicle. -Axe +Add Wooden Spikes on the vehicle +Increase everyone's sanity Use Nothing:[] We're just not ready to risk our necks or precious supplies on this dead end. alas, no gas -Harmonica +Add Wheels on the vehicle Use Boy Scout Handbook:[] The scoutbook had a whole chapter on alternative mean of transportation. Let's let this go for now, the owner of the vehicle is bound to appear eventually. It sure looked... -Suitcase +Someone can get sick +Add Human Bones onto the vehicle Use Bug Spray:[] Who would have thought an expired bug spray can could produce such vibrant colours? After you scavenge, there is a chance for an event where the family member you sent has found a tank or an ice cream truck. -Rifle +Add American Flags and Banners onto the vehicle Use Suitcase:[] Art in the current era should be practical. Put Wheels On The Vehicle:[] The vehicle that was spotted on earlier expeditions turned out not to be a shameless bandit trap. How about we turn it into an art project? It was an ice cream truck/tank, armored with metal grills/metal pieces/wooden spikes, with an actual antique cannon/deadly heavy machine gun fitted on top! And all covered with American flags/skulls and bones/colorful graffiti. This vehicle could lead a 4th of July parade or something! If it had wheels, that is. And was incredibly tiring for everyone involved. The vehicle was armored with metal grills/sheet metal/wooden spikes, decorate with American flags and banners/bloody skulls and bones/insane graffiti and fitted with a real cannon/heavy machine gun! It even had wheels/a caterpillar track. Use Rifle:[] We stormed the local decorations store, shouting battle cries and shooting wildly, at least until the rifle jammed. The suitcase got all nasty from the skeletons and whatnot, so we got rid of it. It was an ice cream truck/a tank, missing wheels and a few other crucial components. Curved. All Vehicle Combinations[] There is a total of 72 unique customizations for the vehicle (36 for the ice cream truck and 36 for the tank) Ice Cream Truck (Outside):[] Wheels/ Weapon XXXXX Wheels Caterpillar Track XXXXXX Decoration/ Reinforcement American Flags and Banners Human Bones Graffiti Americans Flags and Banners Human Bones Graffiti Cannon Metal Grills Sheet Metal Wooden Spikes Machine Gun Metal Grills Sheet Metal Wooden Spikes Ice Cream Truck (Drawing):[] Wheels/ Weapon XXXX Wheels Caterpillar Track XXXXX Decoration/ Reinforcement American Flags and Banners Human Bones Graffiti American Flags and Banners Human Bones Graffiti Cannon Metal Grills Sheet Metal Wooden Spikes Machine Gun Metal Grills Sheet Metal Wooden Spikes Tank (Outside):[] Wheels/ Weapon XXXXX Wheels Caterpillar Track XXXXX Decoration/ Reinforcement American Flags and Banners Human Bones Graffiti American Flags and Banners Human Bones Graffiti Cannon Metal Grills Sheet Metal Wooden Spikes Machine Gun Metal Grills Sheet Metal Wooden Spikes Tank (Drawing):[] Wheels/ Weapon XXXXX Wheels Caterpillar Track XXXXX Decoration/ Reinforcement American Flags and Banners Human Bones Graffiti American Flags and Banners Human Bones Graffiti Cannon Metal Grills Sheet Metal Wooden Spikes Achievements[] Stay Frosty:[] The achievement "Stay Frosty" can be unlocked by finishing a game with the Ice Cream Truck Panzer:[] The achievement "Panzer" can be unlocked by finishing a game with the Tank For more information about the achievements, go to this page Reddit and its partners use cookies and similar technologies to provide you with a better experience. -Padlock +Adds Machine Gun to the vehicle Use Nothing:[] If we found a weapon, we would keep it to defend the shelter. We'd better keep an eye out for those on future expeditions. Inside were some yo-yos without strings and a heavy machine gun! We installed it carefully on the vehicle we found. Those events will keep coming until all parts are installed. For now, anyway. Reinforce The Vehicle:[] During our last expeditions, we finally approached that nearby vehicle. unique, but we never get close enough to get a good look. We observed it from afar. We found some sheet metal next to some cartons filled with milk and rotten eggs. The scoutbook fell and got buried under the vehicle. We window-shopped nearby parking lots for a vehicle that wasn't completely burnt out. Wouldn't it be amazing to just drive away and leave this radioactive hell behind us? We miss bowling". In the next run, there is a chance that the next stage event will appear, but there is also a chance for it to not appear. This operation took all day. Find the vehicle[] When someone comes back from an expedition, one of these texts can appear: When the vehicle is reset: This last expedition got us thinking. There was a lots of cobwebs, and an impressive collection of barbecues. We found all the American flags and banner we could ever ask for. You will be presented with the option to use an item. This could potentially be our ticket out of here... There really was an ice cream truck/a tank down the street. Use 5 Soup:[] Our dream have finally come true. The parts come in this order: armor, weapon, decoration, wheels, and 5 soup cans as fuel. Madness. They've got curved swords. It's an armored and weaponized ice cream truck/tank! No wheels, no gas, just wasting away out there. We picked up different objects that best represented the wasteland life. The player can only take an action towards ... The Twins are one of the group that can rescue you in 60 seconds! and 60 Seconds! Reatomized. -Boy Scout Handbook +Everyone get tired +Add Caterpillar Track on the vehicle Use Nothing[] It's a pipe dream. Tank/Ice cream truck[] You have to go to scavenge. drive away from this nightmare somehow? By rejecting non-essential cookies, Reddit may still use certain cookies to ensure the proper functionality of our platform. So electric, so bohemian! -Bug Spray +Add Graffiti on the vehicle Use Nothing:[] The only art we care about is the Art of Survival. Beside, who knows? -Flashlight +Add Metal Grills on vehicle Use Gas Mask:[] The gas mask proved useful while exploring a very stinky warehouse nearby. We're not about to just fall into their hands willingly. After you give it the fuel, you ride away in your vehicle, which results in a survival ending. Not sure how, but it's all part of the installation now. The item you chose (if you even chose one in the first place) will in some way be used to find an accessory for your vehicle. Maybe future expeditions will be more lucky. If only we could drive this thing out of here... We grabbed some grills to install on our vehicle for protection. Danger lurks around every corner in the wasteland, and it's becoming more and more barbaric! Thugs all fighting each other with a baseball bats and rolling pins. Who could the owner be? Perhaps we could send someone over to check it out? The vehicle is now gone, and if you want to have it again, then you will have to encounter and build it again. The player can only take an action towards that ending once per run. For more information, please see our Cookie Notice and our Privacy Policy. And a bit destructive, too. Swords. -Gas Mask +Add Sheet Metal on the vehicle Use Axe:[] We chopped some wood into pointed sticks and attached those to the vehicle. Sharp, efficient, and also helpful in collecting trash along the way. Shame. When the vehicle is a work-in-progress: We spotted some sort of vehicle just down the street, but couldn't get a good enough look at it in the dark. One of it's main rules is: "ye shall not waste resources, especially for entertainment purposes. The outside was rusty and a little burnt up. We visited a centuries-old battlefield on the outskirts of town and pushed an antique cannon all the way back to the vehicle we found. Anymore would be fine, as long as it's far away from this hellhole. There are a few more experiences more horrifying than having a cannon drop on one's foot. The vehicle sure looks menacing with these decorations. We're out of here. Using instuction from the book, we removed a caterpillar track from a destroyed bulldozer nearby and fitted it onto the other vehicle. When you do an expedition after getting these two texts, you can have one of the following events depending of where you are in this route: Events[] Mysterious Vehicle Down The Street:[] Our last expedition brought news of a vehicle parked just down the street. We are embarking on the post-apocalyptic journey of our lifes! We don't know where we'll end up. Maybe future expeditions will prove more fruitful. 60 Seconds! Reatomized introduces endings with criteria spanning multiple playthroughs. Armed The Vehicle:[] We finally got a good look at the vehicle down the street - an ice cream truck/tank! No wheels, but it was reinforced with metal grills /sheet metal/wooden spikes. -5 Soup (Win) Use Nothing:[] We're not sure if the soup would work as fuel, and even if we were, we cannot spare the supplies right now. How embarrassing. Unfortunately, we found nothing of value. Anybody seen those bandits near the museum? For now, we're almost certain it's not a bandit trap. We've kept our distance from the time being, but we may want to take a closer look in the future. Use Map:[] Looking at the map give us an idea. Decorated The Vehicle:[] Our previous expeditions reported a strange vehicle nearby, and the last trip to the surface confirmed this discovery. The vehicle down the street looked like someone's work-in-progress, and some fuel. It smelled wonderful, too! Oh, the flashlight didn't make it. Plus, does anyone even still remember how to change out a wheel? Use Harmonica:[] The harmonica was sacrificed for the greater good. This was a fun project! We accidentally chopped up the axe handle as well. No more waiting for rescue, no more rotting in this tiny bunker. We might just be the pioneers of wasteland culture. The map somehow got all torn up in the process, but our project looked truly majestic. All this magnificent beast need is a driver... We're not sure if it work yet but it sure looks... (Not to be confused with the event where you can send a family member to check out a tank). +Drawing of the Tank added Send Mary Jane/Timmy:[] A shocking discovery: it was a dirty ice cream truck! It was a little crispy around the edges, and it also missing wheels and some other crucial parts, but the seats were fairly comfortable. Of course, most of the automobiles available are completely burnt out, if we found a solid base and scavenge enough parts, perhaps we could build a vehicle on our own. Send Ted/Dolores:[] A shocking discovery: it was a rusty tank! It was a little crispy around the edges, and it also missing wheels and some other crucial parts, but the seats were fairly comfortable.
