Held annually, The Boat Race is a side-by-side rowing race between crews from the universities of Oxford and Cambridge along a 4.2-mile (6.8km) tidal stretch of the River Thames in south-west London, England. For the third time in the history of the event, the men's, the women's and both reserves' races were all held on the Tideway on the same day. The women's race saw Cambridge lead from the start, eventually winning by a considerable margin to take the overall record to 4330 in their favour. In the women's reserve race, Cambridge's Blondie (crew pictured) defeated Oxford's Osiris by nine lengths. The men's reserve race was won by Cambridge's Goldie, who defeated Oxford's Isis by a margin of four lengths. The men's race was the final event of the day and completed a whitewash as Cambridge won, taking the overall record to 8380 in their favour. The races were watched by around 250,000 spectators live, and broadcast around the world. At the time, it was known as the Year of the Consulship of Valentinianus and Anthemius (or, less frequently, year 1208 Ab urbe condita). The denomination 455 for this year has been used since the early medieval period, when the Anno Domini calendar era became the prevalent method in Europe for naming years. March 16 Emperor Valentinian III, age 35, is assassinated by two Hunnic retainers of the late Flavius Aetius, while training with the bow on the Campus Martius (Rome), ending the Theodosian dynasty. His primicerius sacri cubiculi, Heraclius, is also murdered.March 17 Petronius Maximus, former domesticus ("elite bodyguard") of Aetius, becomes (with support of the Roman Senate) emperor of the Western Roman Empire. He secures the throne by bribing officials of the imperial palace. Maximus appoints Avitus, most trusted general, to the rank of magister militum and sends him on an embassy to Toulouse, to gain the support of the Visigoths. He elevates his son Palladius to Caesar and has him marry Eudocia, eldest daughter of Valentinian III.May 31 Maximus is stoned to death by an angry mob while fleeing Rome. A widespread panic occurs when many citizens hear the news that the Vandals are plundering the Italian mainland. Eudoxia and her daughters, Eudoxia and her daughters, Eudoxia and her daughters, Eudoxia and Placidia, are taken hostage. The loot is sent to the harbour of Ostia and loaded into ships, from whence the Vandals depart and return to Carthage July 9 Avitus is proclaimed Roman emperor at Toulouse, and later recognised by the Gallic army. He restores the imperial authority in Noricum (modern Austria) and leaves a Gothic force under Remistus, Visigoth general (magister militum), at Ravenna. In the West, the early part of the century was shaped by Constantine the Great, who became the first Roman emperor to adopt Christianity. Gaining sole reign of the empire, he is also noted for re-establishing a single imperial capital, choosing the site of ancient Byzantium in 330 (over the current capitals, which had effectively been changed by Diocletian's reforms to Milan in the West, and Nicomedeia in the East) to build the city soon called Nova Rome); it was later renamed Constantinople in his honor. The last emperor to control both the eastern and western halves of the empire was Theodosius I. As the century progressed after his death, it became increasingly apparent that the empire had changed in many ways since the time of Augustus. The two-emperor system originally established by Diocletian in the previous century fell into regular practice, and the east continued to grow in importance as a centre of trade and imperial power, while Rome itself diminished greatly in importance due to its location far from potential trouble spots, like Central Europe and the East. Late in the century Christianity became the official state religion, and the empire's old pagan culture began to disappear.[citation needed] General prosperity was felt throughout this period, but recurring invasions by Germanic tribes plagued the empire from 376[1][2] CE onward. These early invasions marked the beginning of the end for the Western Roman Empire. In China, the Jin dynasty, which led to the insurrections of the northern barbarian tribes (starting the Sixteen Kingdoms period), which quickly overwhelmed the empire, forcing the Jin court to retreat and entrench itself in the south past the Yangtze river, starting what is known as the Eastern Jin dynasty around 317. Towards the end of the century, Emperor of the Former Qin, Fu Jin, united the north under his banner, and planned to conquer the Jin dynasty in the south, so as to finally reunite the land, but was decisively defeated at the Battle of Fei River in 383, causing massive unrest and civil war in his empire, thereby leading to the fall of the Former Qin, and the continued existence of the Eastern Jin dynasty. With regard to its textual basis, the NKJV relies on a modern critical edition (the Biblia Hebraica Stuttgartensia) for the Old Testament.[1] while opting to use the Textus Receptus for the New Testament.[2][a]The NKJV is described by Thomas Nelson as being "scrupulously faithful to the original [King James Version], yet truly updated to enhance its clarity and readability."[4]This section needs expansion. You can help by adding to it. (April 2024)The text of the NKIV, Arthur L. Farstad, addressed textual concerns in a book explaining the NKJV translation philosophy.[7] He defended the Majority Text, but he noted (p.114) that the NKJV references significant discrepancies among text types in its marginal notes: "None of the three [textual] traditions on every page of the New Testament [...] is labeled 'best' or 'most reliable.' The reader is permitted to make up his or her own mind about the correct reading."[7]The NKJV translation has become one of the best-selling Bibles in the US. As of July 2022[update], it is listed as the sixth-best-selling Bible by the ECPA (Evangelical Christian Publishers Association).[8]An unabridged audiobook version called "The Word of Promise Audio Bible" has been produced by the publisher. It is narrated by celebrities and fully dramatized with music and sound effects.[9]Gideons International, an organization that places Bibles in hotels and hospitals, at one stage used the NKJV translation along with the KJV, offering the KJV as the default translation and offering the NKJV when an organization asked for a Bible in newer English to be used.[citation needed] After HarperCollins' acquisition of Thomas Nelson, however, the Gideons have chosen to start using the English Standard Version (ESV) instead of the NKJV.[10][11]Modern English Bible translations^ Footnotes are provided regarding textual variants found in the New King James Version". The 21st Century King James Version (KJ21) is an updated version of the King James Version Bible published in 1994 that stays aligned to the Textus Receptus, and does not remove biblical passages based on Alexandrian Greek manuscripts. In contrast to the New King James Version, it does not alter the language significantly from the 1611 King James Version, retaining Jacobean grammar (including "thee" and "thou"), but it does attempt to replace some of the vocabulary that might no longer make sense to a modern reader. The reader should notice almost no difference from reading the King James Version except that certain archaic words have been replaced with words that are more understandable in modern English. The translation is directed towards readers who are looking for a very conservative King James update, but reduce the use of obsolete words.[1]A version containing the Apocrypha and without the unusual formatting was released under the name Third Millennium Bible in 1998.[2][failed verification]The 21st Century King James Version does not alter the language significantly from the King James Version.[3] The author has eliminated "obsolete words".[3] The changes in words are based on the second edition of the Webster's New International Dictionary.[3] There were no changes related to gender or theology. Recently, it has the capitalization of pronouns much like New King James Version, addressing Deity while maintaining the archaic pronouns.[3][clarification needed]Examples comparing changes made by the 21st Century King James VersionEzra 9:3....and sat down astonied.Isaiah 11:8And the sucking child shall play on the hole of the asp, and the weaned child shall put his hand on the adders den.And the sucked"....the paps which thou hast sucked"....the pape which the the flesh, but according to the Spirit. The 21st Century King James Version also contains some distinct formatting. Passages considered "more familiar" are in bold print, [4] while "less familiar" passages are placed in a sans-serif print. Passages from the Revised Common Lectionary are marked with diamonds, and the translations of names are sometimes included with brackets.[citation needed] The 21st Century King James Version has also been published in an edition with the Apocrypha and without the unusual formatting; this is known as the Third Millennium Bible.[citation needed] Olive Tree website, 21st Century King James Version (KJ21) Bible Study Tools website, Third Millennium Bible.[citation needed] w/Apochrypha^ a b c d e f "21st Century King James Version (KJ21 Bible)".
